

# Appzillon Retail Banking

Built for People. Engineered for Agility.

In today's rapidly evolving world, every customer expects banking to be easy, relevant, and secure—no matter where they are, or how they choose to engage. Legacy platforms struggle to deliver the real-time, unified experiences that modern retail banking demands.

Appzillon Retail Banking empowers you to break these barriers—enabling intuitive onboarding, hyper-personalized engagement, and effortless banking across every device and channel. Built on a modular, future-ready platform, Appzillon makes it possible to serve every customer—urban or rural, digital-first or traditional—with speed, confidence, and agility.

## Unlock the Next Generation of Retail Banking

Effortless Onboarding

Paperless onboarding with instant KYC and account setup for all customers.

Personalized Servicing

Context-aware insights and timely notifications for seamless account management.

Inclusive Access

Agent support and lightweight apps ensuring service for every customer.

Omnichannel Experience

Consistent, secure banking across digital, branch, and wearable channels.

*Delight your customers. Launch faster. Adapt continually.  
Appzillon Retail Banking makes it possible—today, and for  
what's next.*

# Purpose-Built for Modern Retail Banking

## Key Differentiators

Appzillon Retail Banking brings together modular technology, seamless workflows, and intuitive interfaces—so banks can serve every customer with speed, security, and personalization. Our composable platform makes it easy to adapt, integrate, and innovate, ensuring you meet the needs of evolving retail banking.

### Unified Retail Journeys

Deliver connected onboarding, daily banking, and customer service—on one platform that streamlines every touchpoint.

### Composability at the Core

Launch and evolve services using modular features, easy APIs, and no-code tools—so you innovate faster.

### Omnichannel Reach

Engage every customer, staff, and partner—on mobile, web, and branch—ensuring a unified, secure experience everywhere.

### Built-In Trust & Compliance

Meet KYC, AML, and regulatory requirements with embedded controls, thorough audit trails, and robust security for peace of mind.

## Retail Banking Solutions for Real Impact

### Core Solution

#### Retail Onboarding

Enable quick, paperless customer onboarding with automated checks, dynamic document management, and instant account setup.

#### Retail Banking Servicing

Offer safe, easy account management, payments, deposits, cards, and everyday banking—supported by personalized dashboards and real-time notifications.

*Transform every retail banking interaction—on a platform built to adapt, include, and grow with you.*

## Suite of Solutions & Innovation

---

### Agent Banking

Extend reach and inclusion with agent-assisted services for rural and remote customers.

### Family Banking

Parental oversight features including shared accounts and spending limits for better control.

### Digital Branch

Blend physical and digital engagement with branch-led digital journeys and assisted service.

### Financial Inclusion

Lightweight, low-data apps built for customers in bandwidth-constrained environments.

### Personal Finance Management

Help customers take control of their finances with budgeting tools, nudges, and financial health insights.

### Superapps

A unified interface blending banking, lifestyle, and partner services into a seamless experience.

### Islamic Banking

Preconfigured, Shariah-compliant workflows endorsing ethical finance principles.

### Credit Unions & Community Banking

Agile, cloud-native deployments tailored for community-focused institutions.

# Why Leading Banks Trust Appzillon Retail Banking
